

Platteville Dairy Days Parade Information

- ◆ The Platteville Dairy Days parade is run as a fun, entertaining and family-oriented event. It is not meant as a forum for individuals and groups wishing to make political statements. As such, the Dairy Days committee reserves the right to refuse entry into the parade any unit which it deems objectionable because of any type of non-family graphic or vocal representation.
- ◆ Units having live animals walking on the street are encouraged, but for the convenience of marching bands in competition, those animals will be placed in the parade after the last band.
- ◆ All horses in the parade must have negative Coggins papers.
- ◆ Competition is important for the high school bands and, as such, no interference in their performance is allowed by other units.
- ◆ Any person driving a tractor through the parade must at least be in high school and have completed a tractor safety course or hold a valid driver's license. Only the driver is allowed to ride on the tractor unless the tractor is equipped with a buddy seat.
- ◆ No alcoholic beverages are to be consumed in the parade.
- ◆ We will try to accommodate requests for specific placement in the parade, according to parade entry date. There is NO GUARANTEE that your request will be honored.
- ◆ We ask that each unit include a description, background information or announcement for your organization with your entry form. The information will be read by the announcer, if time allows, during the parade. There is no guarantee each unit's information will be read.
- ◆ Parade line-up and staging instructions will be emailed to each participant prior to the day of the parade. All units must be in place by 9:00 a.m. Saturday morning.

The throwing of candy or other objects from parade units to bystanders is strictly forbidden for safety reasons. Persons may walk alongside the curb and hand out items but do so at their own risk. Any parade unit disobeying this safety rule will be asked to stop and/or be pulled from the parade.
